EPILEPSY, RELATED PROBLEMS
DISCUSSION TOPICS WEDNESDAY

MISSOULA--

Epilepsy and problems brought on by the disorder will be discussed at two Missoula meetings Wednesday, March 27.

Speaker will be Frederick Ross, Houston, Tex., western regional manager for the Epilepsy Foundation of America. He will speak at 2:30 p.m. during a meeting of the Epilepsy and Students Project in the University Center Montana Rooms at the University of Montana, and at 7:30 p.m. at the Montana Power Co. building, 1903 Russell, during a meeting of the Western Montana Epilepsy Association.

The University meeting is for UM students, faculty and staff members, and the evening meeting is open to teachers, clergy, epileptics, parents, medical personnel and others interested.

Additional information may be obtained by phoning the Epilepsy Office at St. Patrick Hospital, 543-7271, ext. 259, after 1 p.m. Wednesday.
